NEWS

Shoreview Off Leash Dog Park

Shoreline's first Off Leash Dog area opened a few weeks ago and it is GREAT! I almost, selfishly, did not write about this because I so enjoy the lack of people being there, I didn't want to ruin it. I was impressed and surprised by the size of the park because so many of these things are tiny little pieces of mud holes that barely have room for a handful of dogs.

As a dog owner, I attended a couple of the discussion meetings about the Off Leash areas for Shoreline. I am always impressed by the amount of time and energy VOLUNTEERS take to create a thoughtful process for everyone's benefit. The group was diverse and they researched many possibilities for these off leash areas. More importantly they were persistent to the point of success.

The craziness of my own life prevented me from attending many of the meetings, so I do not know for certain when and if others are to follow. I hope so. I remember that it was specified that if ALL of the off leash areas requested were opened, we would be talking about LESS than 1% of our Shoreline Parks for dogs. Don't our vast number of dog owners deserve at least less than 1% of the Park area? I hope they do and look forward to announcing more openings.

If you are not sure where it is located, go to the Shoreline web site <http://www.cityofshoreline.com/index.aspx?page=158> to find out more.

Shorewood High School Project

The Shorewood High School project will impact Richmond Highlands neighborhood in all its phases, from the construction to the revised traffic flow to the affect the new building will have on property values. If you haven't had a chance to go to one of the design meetings, please visit the website so that you can be informed and have some input:

Shorewood High School

Click on the announcement "Help Plan a New High School"

Go to the "documents" tab

Click on "Shorewood Conceptual Design Schemes" under 3.22.09CommunityMeetingExhibits

Important issues were discussed at the May 11 Council Meeting regarding the 3 story height of the design. To find out more go to the City Council's web site at <http://www.cityofshoreline.com/index.aspx?page=71>.
